## Muntons - A touch of class for the Connoisseur

Muntons are pleased to announce the new colour packaging for their highly successful Connoisseurs Range of beer kits.

Maintaining the consistent quality of taste and aroma of ingredients from the previous range yet bringing a more eye catching image to this range grabs the brewer's eye and attention.

Be sure to carry the new range of kits during this festive season and bring a touch of class to the brewing Connoisseur.

Available in 10 exciting variations Pilsner, Nut Brown, Traditional Bitter, IPA Bitter, Continental Lager, Export Pilsner, Wheat Beer, Yorkshire Bitter, Bock Beer and Export Stout.
