

New Addition to the Geordie Range

Muntions are pleased to announce the release of a new home brewing kit, Geordie Winter Warmer to the popular Geordie range. This new 1.5kg home beer refill pack makes 40 pints of this deliciously warming beer.

Geordie Winter Warmer is a very smooth well hopped dark ale with a rich flavour and full head which has been enhanced by the addition of malted wheat in the recipe.

This kit is now available from both Young's and Ritchies, but there is limited amounts of stock of this product so don't delay in placing your orders.

The RRP of this product is £9.99 and is available to order now!
